

Dear Parents,

It has been a very exciting and rewarding week throughout school. Many events have been taking place including our Yr 6 residential trip, planning some new child led lunchtime clubs for next week and listening to our three high school visitors (past pupils) who came to speak to Year 5 about their high school journey.

Today, we are pleased to share with you our OFSTED report and accompanying letter. They will be sent on a separate email. Once again, can we thank all those involved with our school for their continued support. The report will also be uploaded to our website today and will be available on the OFSTED website within the next few days.

### KS1 SATs

Congratulations to our Y2 children for completing their SATs tests this week. They worked exceptionally hard and reached the end of tests still smiling! Their results will be combined with teacher assessments and shared with their annual report.

### Y6 Residential trip

Our Y6 children had a fantastic time at PGL Boreatton this week. Well done to all pupils for showing great team work and resilience. Please take time to look on Twitter at the amazing activities they have participated in. Thank you to all our staff who have given up time to accompany them on this residential.

### Football

Please click the icon below for details of an external football club being run locally.

## Wildlife Area

Please see our Twitter page for some exciting footage from our camera watch. Chester Zoo has allowed us to join their Hedgehog watch, we haven't seen a hedgehog yet but we are very happy with our snapshots. Eco-Club member: *"MTVS was extremely lucky to get an amazing hedgehog camera to look at which creatures we have at our school. So far, we have found foxes, a squirrel, birds and even a badger. We are so happy that we got the opportunity to share this at school."*

## Coronation Fayre

Finally, a HUGE thank you to all those who joined us at the Coronation celebration last Saturday. We are delighted to announce we raised £ 3111.95 thanks to the hard work of our PTA and your support.

Let's hope the sun shines this weekend.

Take care

*Wendy Lyon and Julie Cox*
