

Dear Parents,

We have had another fantastic week in school, I would like to say thank you to the children for coming back to school with big smiles and a spring in their step. They have settled well into their new classes already and are all eager to start the new year.

Eco-Schools Green Flag

We are so pleased to tell you that we have successfully been awarded the Eco-Schools Green Flag Award. This is an accredited award. This award shows that we are aware of environmental issues and committed to being active and creating positive change. The feedback we received stated that *'it is clear that you have embedded environmental issues into your curriculum with great enthusiasm and these issues are being used to enrich learning in your school, whilst engaging young people in important issues!'* We would like to say a big thank you and congratulations to Mrs Gent, Mrs Taylor and the Eco children's committee for achieving this award. They will be keeping us updated on projects throughout the year.
