

Dear Parents,

It's been an extremely cold week and it seems we have more to come next week. I have updated our adverse weather procedure, which you should have received on Thursday, it is also accessible on our website. As stated we will endeavour to open and keep school open if it is safe to do so. Please ensure that your child has a named jumper/cardigan and a warm coat. A hat and gloves would also be advisable.

## **Parent Carer Forum Survey 2024 and In-person event in February**

On behalf of the Parent Carer forum, please see below information about their survey and the various formats that you can complete.

The flyer is for the PCF Survey 2024. It features the PCF CWaC logo at the top, which stands for Parent Carer Forum Cheshire West & Chester. The word 'Survey' is written in large blue letters, with '2024' in a blue box below it. To the right of 'Survey' is a green speech bubble that says 'Your time to make a difference'. Below the title, it says 'Dear Parent or Carer'. The text explains that the Parent Carer Forum is a group of volunteer parents and carers in Cheshire West and Chester who have children and young people with Special Educational Needs and/or a Disability (SEND), working in partnership with professionals. It mentions that in 2022, 539 responses were received, and these views were fed directly into the Ofsted inspection that took place in February 2022. It then asks for views again, stating that without them, they can't push for progress and focus resources on the things that matter to you and your families. It offers a 5-minute survey and asks for experiences and track progress since 2022. It states 'It is your opportunity to make a difference.' and asks if you have more than one child, it would be really helpful if you could complete a survey for each child with SEND. It mentions that there is certain information that they will need to capture to help them understand how your experience may differ from others across the borough. If you have any questions about this survey, would like a printed copy or require any assistance in giving us your feedback, please contact them at [contact.pcfwcw@gmail.com](mailto:contact.pcfwcw@gmail.com). A section titled 'What will happen to the results of the survey?' lists three points: they will complete an analysis of the survey and take a report to local decision makers from education, health, social care and voluntary sector across Cheshire West and Chester; they will publish the report on their website and on the LiveWell website [www.livewell.cheshirewestandchester.gov.uk](http://www.livewell.cheshirewestandchester.gov.uk) by May 2024; and they will use the information to influence change in local services. At the bottom, it says 'COMPLETE THE PCF SURVEY 2024' and asks to scan the QR code on the right or go to [www.pcfcheshirewest.org/survey2024](http://www.pcfcheshirewest.org/survey2024). The QR code is located at the bottom right. Dear Parent or Carer

We are the Parent Carer Forum, a group of volunteer parents and carers in Cheshire West and Chester who have children and young people with Special Educational Needs and / or a Disability (SEND), working in partnership with professionals.

**539** responses to our 2022 survey

In 2022 539 of you took the time to give feedback on your experiences. These views were fed directly into the Ofsted inspection that took place in February 2022.

**5 mins** approx. time to complete

We need your views again! without them we can't push for progress and focus resources on the things that matter to you and your families. If we could ask you to take 5 minute of your time so that we can capture your experiences and track progress since 2022, we would really appreciate it.

**It is your opportunity to make a difference.**

If you have more than one child it would be really helpful if you could complete a survey for each child with SEND. There is certain information that we will need to capture to help us understand how your experience may differ from others across the borough. If you have any questions about this survey, would like a printed copy or require any assistance in giving us your feedback, please contact us at [contact.pcfwcw@gmail.com](mailto:contact.pcfwcw@gmail.com)
