

Dear Parents,

That was a cold week and the snow was an added bonus for some! Looking ahead I think it is due to turn milder next week. I am sure Mr Reed will be happy! Can I please take this opportunity to say a big thank you to him for getting in early and gritting the paths and carpark making it safe for everyone.

Attendance

We continue to monitor school attendance; it is essential that our children attend school on time so learning is not missed. Anyone who has visited the school, comments on just how quickly our children settle and move to their learning tasks in the morning. We often contact families when we are concerned regarding lateness and attendance and our first point of call will be looking at what we can do to help.

Date for the Diary Change

Please note the date for the Y4 residential visit to Conway Information Evening has changed and will now be on Wednesday 13th March 2024 at 3.30pm. Please make a note of any questions you or your child may have to put forward at the meeting.

Parents of children in Year 6 are invited to an important meeting to give information about this year's end of KS2 SATs, which are scheduled to take place throughout the week of 13th May. The meeting will provide information about the teaching arrangements for the term and address ways in which parents can best support children in the preparation for the tests. The meeting is on **Wednesday 24th January 2024 @6pm**

World Book Day Thursday 7th March 2024

Do your bit to help save the environment and money this year, by donating unwanted World Book Day fancy dress costumes at Barnton, Blacon, Frodsham, Hope Farm, Lache, Little Sutton, Neston, Northwich, Sandiway and Wharton libraries. Donated costumes will be quickly checked and put out for those who need them (no donation or payment required) from Thursday 1 February to Wednesday 6 March. And, while you're there, make sure to get a library card, no ID required, or take out a book.

Little Lungs Peer Support Service - Koala North West

The peer support service is NHS funded, and provides a listening ear, information and emotional support to families whose children may have experienced a respiratory condition, for example, asthma, RSV, croup or frequent chest infections. Your child does not need to have received a formal diagnosis to be able to access support.

  	 
Do you have a child aged 0–11 years with a respiratory condition? Feeling lonely, tired or stressed? Want to talk to someone who knows how it feels?	We know that caring for a little one with breathing difficulties can be overwhelming and exhausting at times. Some parents find this to be a lonely time.
We are here for you	
Tailored one to one support for families in Wirral & Cheshire West.	We are here to be alongside you on your journey. With lived experience and full training, we can provide a listening ear, information and emotional support for families affected by respiratory conditions.
Get in touch. Follow us on    0151 608 8288   litttelungs@koalanw.co.uk 	

Have a lovely weekend and keep warm.

Kind regards,

Wendy Lyon
