Chester Heritage Festival

Telling the story of our city and its people
A series of events and activities for all the family

21st - 30th June 2024

Celebrate, explore and immerse yourself in Chester's heritage.

Taking place in a variety of locations across the city and online from 21st – 30th June, you can join us for a jam-packed programme of walks, talks, workshops, performances and more!

You could kick off your day with Roman Zumba in the Amphitheatre, explore the prestigious Chester Castle and take the kids to enjoy crafting sessions or sensory experiences in Chester Cathedral.

Is your child a keen gamer? Don't miss the free computer game designing workshop or the opportunity to explore Roman Chester in Minecraft.

Booking is essential and recommended for many of the events although a vast majority are drop in. Keep up to date with the programme as it grows at [chesterheritagefestival.co.uk](https://www.chesterheritagefestival.co.uk) and follow us at @chesterherifest on all platforms.

Whether resident or visitor, in person or online, we hope you will find something of interest as Chester Heritage Festival tells the stories that have accumulated over two millennia.
