MTVS Enrichment Curriculum

Pupil Voice

Date	Year group	Venue	Curriculum	Focus	British Values/ Cultural capital/intent	Pupil voice
20.9.22	KS2	Hall	PE	Basketball	Cultural Capital	It was Big Mike and Little Mike and they told us about basketball. They said we could go watch basketball.
29.9.22	Y6	Newton	Maths	Problem solving		It was really fun. We did a tangram which was fun. We had triangles and one square and we had to make a square using two triangles and three triangles and four triangles etc. We would like to lead a Maths session on a really good activity. It was interesting who had a completely different way of teaching. She didn't sit in front of a screen and say do it, she was very involved. I liked using all the different objects - we had foam blocks and we had to make them into things. We had lots of different resources - we had shapes that we had to make into things using what we know. So we know angles of a triangle = 180 degrees so an equilateral triangle has angles of 60 degrees each, so we used them to find other angles. It was great fun.
30.9.22	Y6	Hall	PSHE	Community - Macmillan Coffee Morning	Cultural Capital	It was good that the money we raised was for charity. A bunch of parents came from all the classes - I think everyone from our class saw a parent. I think it was very important the money we raised - we made £364.60 I think it was really good because it gave everyone the chance to see what it was like to give money and count it and learn about values. Loads of parents came in and it was lovely to see them. It made me feel really happy that lots of cakes got sold because it was for a cancer charity.
3.10.22	Y2/3	Thurstaston Beach	Science/Geography	Explore the coast line, identify animals in the location and identify man-made/natural features	Intent	It was the best day of my life! In school. It was a good day because we went to the beach and we got to eat outside and we normally don't get to eat outside. I liked to draw sculptures. I liked making sculptures because my group made a jellyfish out of shells, sand and rocks. I enjoyed looking at the boats on the sand.

5.10.22	Y4	Weaver Hall Museum	History	Anglo Saxons and Vikings		<p>I liked meeting the Viking because he told us about how they traded.</p> <p>We made chess figures out of clay!</p> <p>The trip was amazing! My favourite bit was meeting Olaf the Viking!</p> <p>I learnt about archaeologists.</p>
11.10.22	Y6	Imperial War Museum	History PSHE	WWII Remembrance	British Values Cultural Capital	<p>I really liked seeing the old clothes because real people wore them around those times.</p> <p>I liked the drama because it was fun. We got to learn about things, you could do what you wanted during the drama, there were different actions and you could choose which one you wanted and it was fun.</p> <p>I liked the poppies because it looked like a never-ending waterfall that was never going to end. Every poppy represented someone so each poppy had a different meaning.</p> <p>Mechanics and engineering: I liked the jump jet. I have seen loads on AR but I've never seen one in real life. Nothing is better than real life.</p> <p>The sea bomb - imagine that could have killed thousands of people. If that had been anywhere near a ship it would have been - boom!</p>
12.10.22	Y3/Y4	Chester Rugby club	PE	Y3/4 Rugby competition		<p>I enjoyed it because we won a lot of games. It was my first time playing in a game for the school, it was fun.</p> <p>So we played tag rugby and we won 6 games and lost 1, it was very fun to tag people and get the ball to score a try. It was hard to run in the rugby boots because I have never done it before.</p> <p>It was really exciting and I enjoyed it because it was the first time I played for school in a game.</p>
13.10.22	Y5,Y6	Chester Rugby Club	PE	Y5/Y6 rugby competition		<p>I enjoyed getting trys and winning the games. I felt happy because I got to play rugby for school.</p> <p>I enjoyed playing the games, even if we didn't win I just wanted to play matches.</p>

13.10.22	Whole School	School	Reading	ELS Library Van	Cultural Capital	<p>We went on the bus. There were lots of choices of books. I chose comic style books because I like the ones with pictures. We looked for some other books but couldn't find them.</p> <p>I chose some really interesting books. The one I chose lots of people wanted to read which I'm pleased about.</p>
14.10.22	Y5	School	PE	Play Leaders	Respect and Tolerance Individual Liberty	<p>I'm really excited about becoming a play leader for the younger ones. I have lots of ideas to share and take part in.</p> <p>It was fun. We learnt lots about teamwork and how to be a good play leader. We learnt about how to make games easier and harder for people.</p>
17.10.22	Y4,5,6	school		Girls and boys football tournament against Farndon		<p>I was a goalkeeper and I saved quite a few shots but I also conceded, it was fun although I did get a bit frustrated when I let some goals in.</p> <p>I played in a cup game against Farndon, I played defender and right midfield, it felt intense as they were quite tall and my brother played against them and was even taller than you (Mr Waring)</p>
18.10.22	whole school	school		deaf awareness assembly DSM		<p>it was about people and if they have hearing aids don't speak to them if their back is turned as they need mouth contacts. Sometimes you might need to speak a little bit slow and don't shout as it will get even louder.</p> <p>I enjoyed it because they showed us how to do different words in sign language.</p> <p>It doesn't matter if you're deaf – you can still be treated the same as others</p>
20.10.22	Y6	County Offices	PE	Quick Sticks Hockey festival		<p>We won most of the matches. We were really proud.</p>
20.10.22	Whole School	school	PSHE	Food Bank and Harvest Festival	Cultural Capital	<p>I really enjoyed being back together singing. The Food Bank is such a good system.</p> <p>It was really good to sing and hear others sing</p>
